

## BREEZE 20

Breeze 20 is the new, ultrasimple approach to social activity at sea. Designed around the central picnic table the 20ft open daycruiser is the perfect platform for plug-and-play social experiences on water, and has bonded friends and families through early brunch outings to the late night swims across the world.

Breeze 20 is the perfect marriage between simplistic Scandinavian aesthetics and userfriendly functionalistic solutions, exemplified through the scenic teak-fitted aluminium steering console displaying no more than the utmost necessary - the intuitive throttle, the lush stainless steel steering wheel and marine stereo. Plug-and-play and easy for all to use.

## KEY FEATURES

**General:** The Breeze 20 was born with the desire to offer the most compelling sailing experience with maximum usability. The elegant 20ft open day-cruiser is an affordable, low-key luxury boat that truly offers a new way of experiencing social interaction with friends and family while sailing due to the unique interior design combined with high usability.

**Hull:** The lightweight hull makes it easy to transport by trailer, and its large storage rooms can hold indeed anything from canvas cushions, life vests, bathing towels, and of course your fully equipped picnic basket. For this reason this low maintenance motorboat is incredibly easy to manuvre and it requires no sailing license or experience to use and sail the Breeze 20.

**Console:** Positioned adjacent by the center table the centered console can be reached from both sitting and standing position, and provides pleasant steering position.

**Sunbed:** By lowering the centre picnic table and laying across a custom four-cushion sun lounge the front part of the Breeze 20 turns into a whopping 200×180 cm sunbed perfect for a relaxing nap or drying in the sun after a refreshing dip in the water.
